

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")  
NOTICE OF HEARING ON APPLICATION FOR PERMIT**

**NOTICE:** the Interim General Manager of the District has determined the following application(s) are administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors ("Board"): A preliminary hearing on each proposed permit and permit amendment will be held on Friday, June 16, 2017, at 9:00 a.m. at the District's office at 225 South Pierce, Suite 104, Burnet, Texas 78611, in accordance with the District's rules. Each proposed permit application and its underlying application is available for inspection at the District's office.

The Board of Directors may deny or grant in full or in part a permit amendment application, and issue a permit amendment in any amount less than, equal to, or exceeding the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the Interim General Manager's recommendation.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.
