

CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")
NOTICE OF ISSUANCE OF PROPOSED PERMITS AND OF HEARINGS ON APPLICATIONS FOR PERMITS

NOTICE: the General Manager of the District has determined following application(s) are: administratively complete; conducted a technical review of applications; issued Proposed Permits; and, prepared recommendations for consideration by the Board of Directors ("Board") for the following applications: A preliminary hearing on each proposed permit will be held on Friday, April 18, 2014, at 9:00 a.m. at the District's office at 225 South Pierce, Suite 104, Burnet, Texas 78611, in accordance with the District's rules. Each proposed permit and its underlying application is available for inspection at the District's office.

The Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, equal to, or exceeding the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager's recommendation.

In order to protest the General Manager's recommendation or request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rule 7.60, must: (1) submit in writing a contested case hearing request so that it is received by the District prior to April 18, 2014; or (2) appear before the Board at the preliminary hearing and oppose the application or recommendation. Written requests received after the deadline will not be considered timely filed, and will not be further processed by the District.
