

**NOTICE OF HEARING ON APPLICATION FOR AMENDMENT OF OPERATING PERMIT OF THE  
CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT**

Notice is hereby given that the General Manager of the Central Texas Groundwater Conservation District ("District") has determined applications are administratively complete and conducted a technical review of applications, has issued Proposed Amended Permits and has prepared recommendations for consideration by the Board of Directors ("Board") for the following applications for Amendment of Permit as set forth in Section 3.23 of the District's Rules and in consideration of the applicable criteria of the District's enabling act, Chapter 36 of the Texas Water Code, and the District's rules. A preliminary hearing on each proposed permit amendment will be held on Friday, May 16, 2014 at 9:00 a.m. at the District's office at 225 South Pierce, Suite 104, Burnet, Texas 78611, in accordance with the District's rules. Each proposed permit amendment and its underlying application will be available for inspection at the District's office.

The District's Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than, equal to, or exceeding the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager's recommendation.

In order to protest the General Manager's recommendation or request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rule 7.60, must: (1) submit in writing a contested case hearing request so that it is received by the District prior to May 16, 2014; or (2) appear before the Board at the preliminary hearing and oppose the application or recommendation. Written requests received after the deadline will not be considered timely filed, and will not be further processed by the District.

**Permit Number:** OP-12022701

**Applicant:**

RFHDAH, LP  
8723 N. Lamar Blvd.  
Austin, TX 78753

**Address of well location:**

8811 CR 200  
Burnet, Texas

**Annual Production:**

An additional 50 acre feet per year to an existing 100 Acre Feet per year permit

**Pumping Capacity:**

40 gallons per minute each well

**Purpose of use of the water:**

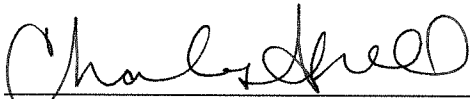

Irrigation

**Recommendation by General Manager**

It is the intent of the General Manager to recommend approval of the Permit Amendment Application(s)

For specific information about a permit application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas, or visit the District's website at [www.centraltexasgcd.org](http://www.centraltexasgcd.org). These proposed permits, if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

**Certification:** I, the undersigned authority, do hereby certify that on April 24, 2014 at or before 5:00 p.m., I posted and filed the above notice with the Burnet County Clerk's office for posting in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District office and that they will remain so posted continuously preceding the scheduled time of said Permit Application. I also certify that a copy of this Notice has been scheduled to be published in a newspaper of general circulation in the District no less than 10 calendar days before action on the said Permit Application. This Certification is in accordance with the Central Texas Groundwater Conservation District Rules §3.66.

Charles Shell, General Manager  
Central Texas Groundwater Conservation District

**POSTED**  
April 24, 2014  
Janet Parker  
County Clerk - Burnet County, Texas
