

CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")
NOTICE OF INTENDED ACTION ON APPLICATIONS FOR PERMITS

NOTICE: the General Manager of the District has determined the following application(s) are: administratively complete; conducted a technical review of applications; and made a preliminary determination for action by the General Manager on the permits. Each proposed permit and its underlying application is available for inspection at the District's office.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

For information about a permit application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas, or visit the District's website at www.centraltexasgcd.org.

These proposed permit(s), if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

Certification: I, the undersigned authority, do hereby certify that on August 29, 2018 at or before 5:00 p.m., I posted and filed the above notice of hearing with the Burnet County Clerk's office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District's office and that it will remain so posted continuously, as required for the specific permit type, immediately preceding the scheduled time of said hearing.

Mitchell Sodek, General Manager
Central Texas Groundwater Conservation District
