

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT ("District")  
NOTICE OF HEARING ON APPLICATION FOR PERMIT**

**NOTICE:** the General Manager of the District has determined the following application is administratively complete, conducted a technical review of applications, and prepared recommendations for consideration by the Board of Directors ("Board"). A preliminary hearing on the permit application will be held on Tuesday March 21, 2023, at 9:00 a.m. at the Texas Agrilife Extension Auditorium, 607 North Vandever Street, Burnet, TX 78611, in accordance with the District's rules. The proposed permit and its underlying application are available for inspection at the District's office.

On or after the March 21, 2023 hearing, the Board of Directors may deny or grant in full or in part a permit application, and issue a permit in any amount less than or equal to the amount claimed in the application, based upon the evidence received at the hearing and notwithstanding the General Manager's recommendation.

Notice of the permit application was first published on February 10, 2023 and provided that the General Manager intended to act on the application on February 21, 2023, which is authorized under the District Rules 3.62(c). The February 10, 2023 Notice provided and the District received one hearing request before a deadline of February 14, 2023. Because the deadline for a contested case hearing has passed as provided in the February 10, 2023 Notice, a contested case hearing request after February 14, 2023 will not be considered timely filed and will not be further processed by the District.
