

**CENTRAL TEXAS GROUNDWATER CONSERVATION DISTRICT (“District”)
NOTICE OF INTENDED ACTION ON APPLICATION FOR PERMIT**

NOTICE: the General Manager of the District has determined following application(s) are: administratively complete; conducted a technical review of applications; and made a preliminary determination for action by the General Manger on the permits. Each proposed permit and its underlying application is available for inspection at the District’s office.

In order to request a contested case hearing on an application, the applicant or an affected person, in accordance with District Rules must provide the District with a written request for a contested case hearing seven (7) days before the date of the intended action stated in this notice. Written requests received after this deadline will not be considered timely filed, and will not be further processed by the District.

Application #OP-23100601
Applicant: Burnet Land Development, LLC
P.O. Box 3014
Marble Falls, TX 78654
Address of well location:
2618 CR 103
Lampasas, TX
BCAD Property ID: 57138

Annual Production Requested: 3.5 acre feet
Pumping Capacity:
Not to exceed 49 gallons per minute
Purpose of use of the water: Livestock
Proposed Completion: Ellenburger-San Saba Aquifer
Action by General Manager
It is the intent of the General Manager to approve the Permit Application on November 3, 2023

For information about a permit application or submitting a contested case hearing request, contact the District by phone at 512-756-4900, in person at 225 S. Pierce, Suite 104, Burnet, Texas , or visit the District’s website at www.centraltexasgcd.org.

These proposed permit(s), if issued as final permits, would authorize the permit holder to withdraw and beneficially use groundwater within the Central Texas Groundwater Conservation District according to the terms and conditions set forth in the permits.

Certification: I, the undersigned authority, do hereby certify that on October 18, 2023 at or before 4:00 p.m., I posted and filed the above notice of intended action with the Burnet County Clerk’s office for filing in the hallway of the Burnet County Courthouse in a place convenient and readily accessible to the general public at all times. I also certify that a copy of the notice was posted on the door and on an outside window of the District’s office and that it will remain so posted continuously, as required for the specific permit type, immediately preceding the scheduled action.

Mitchell Sodek, General Manager
Central Texas Groundwater Conservation District
